

## **SWIMMING POOL MAINTENANCE TECHNICIAN**

### **Purpose:**

To actively support and uphold the City's stated mission and values. To perform a variety skilled maintenance activities in the support of the City's indoor wave pool and other indoor and outdoor swimming pool facilities and equipment, including pneumatic wave equipment, interactive play equipment, commercial slides, and a variety of pumps and motors; and to ensure the water quality.

### **Supervision Received and Exercised:**

Receives general supervision from a Community Services Supervisor or from other supervisory or management staff.

### **Examples of Duties:**

This class specification is intended to indicate the basic nature of positions allocated to the class and examples of typical duties that may be assigned. It does not imply that all positions within the class perform all of the duties listed, nor does it necessarily list all possible duties that may be assigned.

Duties may include, but are not limited to, the following:

- Maintain proper pool water chemistry including calibrating and adjusting chemical dispensers and calculating proper flow rates; collect water samples and test water quality; add chemicals as needed.
- Monitor pool functions to include reading gauges, graphs, meters, and control panels to ensure water quality; clean and maintain chemical dispensing units, pumps and boilers.
- Repair and maintain hydro-computerized pneumatic wave pool equipment, pumps, small and large motors, pipes, valves, chemical dispensing units and chlorine gas chlorinators.
- Perform routine maintenance and repair of water slides, diving boards, diving towers, surrounding pool areas and decks; participate in resurfacing diving boards; prepare surfaces and wax water slides.
- Assist in construction related work including constructing concrete forms, pouring and finishing concrete, and setting and regrouting ceramic tile; participate in painting and plastering.

## CITY OF TEMPE

### Swimming Pool Maintenance Technician (continued)

- May vacuum and clean swimming pools, backwash filters, and clean restroom facilities, pool equipment rooms, and gutters.
- Perform related duties as assigned.

### **Experience and Training Guidelines:**

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. The hiring department may include job related experience, training or license and certification preferences at the time of recruitment. A typical way to obtain the knowledge and abilities would be:

#### **Experience:**

Five years of commercial experience in the care, maintenance and repair of indoor and outdoor swimming pools and related equipment to include such things as hydro-computerized pneumatic wave equipment, pneumatic bulk head equipment, commercial grade waterslides, or other commercial comprehensive family aquatic equipment.

#### **Training:**

Equivalent to the completion of twelfth grade, supplemented by specialized training in aquatic facility maintenance and repairs.

#### **Licenses/Certifications:**

May require the possession of, or ability to obtain, an appropriate, valid Arizona driver's license.

Possession of, or ability to obtain, a Pool/Spa Operator certification through the National Swimming Pool Foundation or an Aquatics Facility Operator certification through the National Parks and Recreation Association.

Possession of, or ability to obtain, Scuba Diving Certification.

**This position is included in the City's classified service, pursuant to City of Tempe Personnel Rules and Regulations, Rule 1, Section 103.**

**Job Code: 8380**

**Salary Range: 20**

**FLSA: Non-Exempt**
